Christmas Greetings and thanks to all the incredible volunteers, sponsors, parishes, individual donors, and missionaries who have made 2015 a year of good tidings and great joy for our partnership with St. Marc's School in Jeannette, Haiti. We celebrate the many gifts God has given the world, the greatest of which was his Son. Modeling Christ's compassion, we thank Pere Lenord for his humble service to the people of Jeannette. He looks out for those on the margins in the community -- those without parents, the sick and those who need food assistance. With his patient manner, compassion and steadfast perseverance, his leadership is an offering to

A word from Pere Jean Lenord Quatorze:

Dear Brothers and Sisters in Christ,
Faithful servants of the Lord, peace be with you. I thank God who motivated you to support us in this poorest village (Jeannette).

Only God knows what would happen to the joyous kids without your support. Thank you for serving God in this way. As priest and a Christian, I dedicate my life to serve God and his people. I am working for the church of God. It was my dream to build a church in my ministry, I am so happy to start it in Jeannette.

I invite you to assist me in this project if you are able to make a donation.

Merry Christmas to you all, may the new year bring you peace, joy and prosperity!

May God bless you all and our partnership!

Your brother in Christ,

Rev.Pere Jean Lenord Quatorze

Christmas Countdown:

36 first graders matched with sponsors

There are 48 first graders this year at St. Marc's. Since students typically are not matched with a sponsor until first grade, we are always hopeful to find households who will sponsor a child and see them through their education. For long-time sponsors, you know how rewarding it is to watch your sponsored student progress, for others, you have seen how tenuous life is in Haiti as children often move in and out of school. We are so grateful to announce that 36 first graders have sponsors thanks to those of you who came forward to sponsor this year. Thank you for understanding the impact education has on individuals and their communities. St. Marc's continues to make a powerful difference in so many lives. What a Gift Education is!
